Dear Dimitra,

That's great! I think I sent you all the info last time, so please make hotel reservations. We will prepare a program from our side and send it to you as soon as possible.

The talk will probably happen on Wednesday morning at 9:30 am. Followed by meetings.

Looking forward to it!

Best,
Julijana

Dear Julijana,

I scheduled to be in Munich from 18th April onward, so as we had discussed I will visit your lab on 19th and 20th of April.

Thank you again for the invitation and I am looking forward to talking to you and your lab members.

Best wishes,

Dimitra
